Yvonnilda,

We're agreeable to another week extension if need be.

Are you able to send the written responses and then provide the medical records when they are received?

Thank you,

Melissa

Melissa -

Turns out, I do need additional time. I am still waiting on the medical records. I don't know why it is taking so long to receive them.

Thanks for understanding.

Melissa -

This is to confirm our conversation this morning regarding a week's extension until Sept. 25, 2020 to submit Plaintiff's responses to HCDE's First Requests for Admissions, First Set of Interrogatories and Requests for Production of Documents.

I appreciate the offer to extend the response deadline even further if needed but am hoping it won't be needed.

If this was not your understanding of our conversation, please let me know.

Have a great weekend.
